ATTESTATION

Must be signed by CEO or COO

I attest that this hospital adheres to the following respiratory care standards:

- All respiratory therapists employed by this hospital to deliver bedside respiratory care services are either legally recognized by the state as competent to provide respiratory care services or hold the CRT or RRT credential.
- Respiratory therapists are available 24 hours.
- Other personnel qualified to perform specific respiratory procedures and the amount of supervision required for personnel to carry out specific procedures are designated in writing.
- A doctor of medicine or osteopathy is designated as medical director of the respiratory care service.

I will notify the AACRC in writing when any of these standards cannot be upheld.
